

The **Fernmark Inn** is a uniquely designed guesthouse with four exotic guest rooms based on different cultures of the world.

Exciting design and colour features combine with collected textiles and artwork in every room, each with ensuite and private veranda.

Fernmark Inn's communal areas include a guest lounge with wood fire, a wellstocked library and courtyard.

Fernmark serves vegetarian and fish meals only using predominantly home grown fruit, vegetables and herbs. Breakfasts are a four-course gourmet feast. Indulge daily with home-made treats served in the guest lounge.

Hallie and Corinne invite you to enjoy the tranquility of **Fernmark Inn**.

The Ocean Room is our new self-contained studio, featuring bedroom area, ensuite, kitchen and lounge.

Fabulous murals on the walls create a feeling of being under the sea! Children and four legged pets are welcome to stay in the Ocean Room too. We even have a special Doggie Cubbie-House for your pets to stay in with its own enclosed play area when you visit the surrounding National Parks.

The Fernmark Inn, located in the Bega Valley on the stunning Sapphire Coast of South-Eastern Australia is surrounded by 90 acres of animal and bird-filled Australian bush. Ideal for a romantic weekend, a mini-conference or workshop, or a group of friends looking for activities, experiences and pampering.

While staying at **Fernmark** take advantage of our energizing natural health treatments. The **Fernmark Studio** is an ideal workshop or conference space for small groups.
